

A horizontal banner with a dark background and a colorful, abstract pattern of light spots in red, yellow, and blue on the left side. The text "Over 95 Years of Innovation" is written in a white, serif font on the right side.

Over 95 Years of Innovation

Alligator Clips

While the founder of **Mueller Electric Company** invented alligator clips, the company has since expanded its product lines into electric test clips, test leads, test accessories, and board to board connectors, sold to qualifying manufacturers and through leading authorized distributors. Browse our alligator clip selection for the best item to fulfill your requirements.
