## Printer-friendy format 3M $^{\text {TM }}$ Scotchlok ${ }^{\text {TM }}$ Seamless Butt Heat Shrink Connector MH14BCX, 16-14 AWG

[click to enlarge]
GTIN(UPC/EAN) : 00054007063186
3M Id : 80-6105-3001-8

## Additional Information

This butt connector uses chamfered barrel ends to provide fast easy wire insertion from both ends and a built in wire stop for correct positioning. It must be crimped at ends.

## Installation Information

## $\triangle$ WARNING

Turn power off before installing or removing terminal. All electrical work should be done according to appropriate electrical codes.

UL Listed and CSA Certified for use on stranded copper (AWG) wire only.

Strip away the end $3 / 8$ inch of wire insulation.
Make the crimp in the proper station of a recommended $3 \mathrm{M}^{\mathrm{TM}}$ crimp tool: TH-440, TH-450 (scissor style) hand tools.

Shrink tubing using a heat gun. Heat until tubing is completely shrunk and adhesive protrudes slightly from the tubing.

## Engineering Specification

Crimp-type terminals shall, electrically and mechanically, connect permanently to the pre-stripped end of two stranded copper wires.

The connector line shall offer barrel variations in wire (AWG) size (22-18, 16-14, 12-10) and construction (noninsulated brazed seam, vinyl insulated butted seam, nylon insulated seamless, etc.). The connector line shall have regulatory agency coverage (UL Listing, CSA Certification). The connectors shall be marked with the wire range and manufacturer's symbol ( $\uparrow$ ).

The polyolefin insulated, seamless butt connector shall be tin-plated, annealed copper, having a double-length, round seamless barrel with a center stop covered by a preapplied heat shrink tubing, color coded and sized for a specified (AWG) wire range (22-18, 16-14, 12-10).

Insulated connectors shall be UL Listed and CSA Certified for 600 volts maximum, building wire: 1000 volts maximum, signs and lighting fixtures (luminaires) and temperature rated $221^{\circ} \mathrm{F}\left(105^{\circ} \mathrm{C}\right)$ maximum.
