

## Adjustable Range \& Fixed-focus Reflective Photoelectric Sensor

The EQ-500 series of photoelectric sensors provides a long-range diffuse reflective solution that is suitable for applications where it is not feasible to get close to the sensing object. The sensor is impervious to changes in an object's angle, gloss, or even color, so you get an accurate detection every time. Built in an IP-67 rated enclosure, the EQ-500 series is also good for use in harsh environments. The sensing range is easily adjustable to a maximum of 2.5 m ( 1 m version also available). There are two main product types available:

## Multi-Voltage Type

- Can be powered with $24-240$ VAC or $12-240$ VDC. This free ranging input allows for nearly any power source in the world to be used.
- 1 Form A relay output is used which is suitable for direct switching of a load up to 3A 250VAC (resistive) or 3A 30VDC (resistive).

## DC-Voltage Type

- Powered by 12-24 VDC
- NPN and PNP transistor outputs are used.
- Equipped with Background and Foreground suppression to eliminate the effects of unwanted objects and provides more stability in your sensing operation.

All models are also available with a built-in ON or OFF delay timer function.

| Model Name | Model Pic | Type | Output Operation | Output Configuration | Emitting Element | Max. Range (mm) | Max. Range (in) |
| :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: |
| Sort 4 V |  | Sort - V | Sort $\boldsymbol{\sim}$ | Sort A V | Sort $\boldsymbol{\sim}$ | Sort $\boldsymbol{\sim}$ | Sort $\boldsymbol{\sim}$ |
| EQ-511T |  | DC-voltage Long sensing Adjustable Range, BGS/ FGS w/ Timer | Light-ON/DarkON | NPN/PNP | Infrared LED | 2500 | 98.4 |
| EQ-512 |  | DC-voltage Long sensing Adjustable Range, BGS/ FGS | Light-ON/DarkON | NPN/PNP | Infrared LED | 1000 | 39.4 |
| EQ-512T |  | DC-voltage Long sensing Adjustable Range, BGS/ FGS w/ Timer | Light-ON/DarkON | NPN/PNP | Infrared LED | 1000 | 39.4 |

Notes: 1) The operation mode switch of the DC-voltage type is the DIP switch. 2) $\mathbf{E Q}-5 \square \mathbf{T}$ does not incorporate those.

Assembly dimensions with sensor mounting bracket MS-EQ5-01 (Optional) (Foot angled mounting)
