

For use with TO -220 packages

Part Number - 6230B - TT

RoHS
Compliance
PENDING

Mechanical Outline Drawing

Thermal Curves

Thermal Resistance	12.50
--------------------	-------

Thermal resistance value is based on a 75°C rise in natural convection

Product Information

Part #	Description	Finish	Board Mounting
6230B - TT	Copper channel with straight fins featuring integrated tabs	Black paint with tinned t	View Hole Dimensions
This non -electronic component is functionally unaffected by the normal soldering or reflow processes used for semiconductor circuits. The heat resistance time or heat resistance temperature is not applicable for the component.			

Not Exactly what you need?

We offer several options for those applications which require a more unique solution. For slight modifications of this part or other attachment options, finishes, and interface materials, contact your [local representative](#). Challenge us with your thermal requirements - we can design custom solutions.
