

For use with TO-220/TO-202 packages

Part Number - 531202B00000G

RoHS 
 Compliant

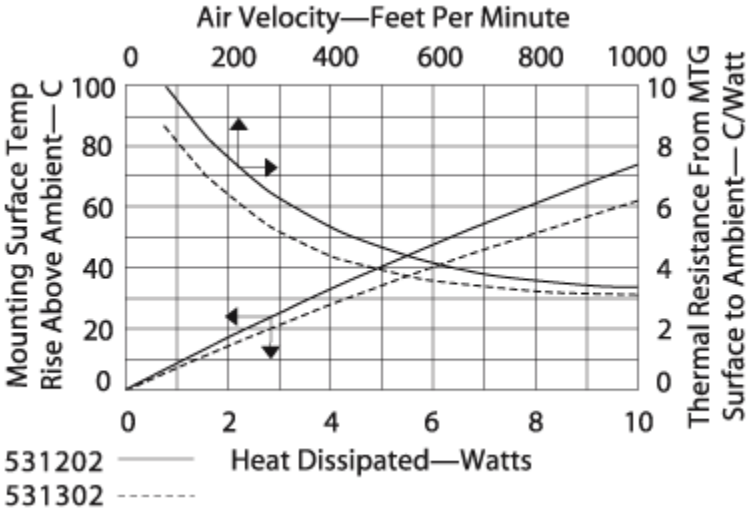

Mechanical Outline Drawing

H Dim 50.80

Thermal Curves

Thermal Resistance	7.50
--------------------	------

Thermal resistance value is based on a 75°C rise in natural convection

Product Information

Part #	Description	Finish	Board Mounting
531202B00000G	Extruded heat sink with radial fins and notched base	Black Anodize	View Hole Dimensions
