

# Circuit Board Holders

The moveable arms on all PanaVise Circuit Board Holders extend 6" (152.4 mm) from the cross bar. "V" shaped grooves securely hold the board edge. The spring-tensioned arm equalizes holding pressure and the lever locks the arm open for quick board insertion and removal. "V" notches positioned near the arms' tips conveniently hold small electronic parts.

## Circuit Board Holder Model 315

PanaVise Circuit Board Holders help you work quicker and smarter!

### Model 315 Features:

- > Hold circuit boards up to 12" (304.8mm) wide and up to 0.156" (4mm) thick
