Primer for 2-part RTV Silicones SS4004P

Primary Characteristics

- ▶ Pink
- ▶ For porous/non porous surfaces

Applications

- ▶ Airframe/External
- ▶ Exterior
- ▶ Interior

Pink, ready to use, silicone primer for use with two-part silicone RTV's to promote adhesion on surfaces like plastic, glass, ceramic, wood, and metal. Bright pink color makes easy visual determination of uniform coating.

Available Sizes
