Part Number: 242139
Family/Series: Between Series Adapters
Product Type: Between Series Adapters
Description: BNC Plug/UHF Plug
Cable: Non Applicable **

Cable Group: N/A
Finish: N/A
Insulation: N/A
Impedance: N/A
Crimp Tool: [N/A](#)

BETWEEN SERIES ADAPTERS

Connex between series adapters are used to join two connectors of different series. They are designed to offer the lowest VSWR rating of the two series involved. Here is a listing of all adapters shown in this section. In-series adapters can be found at the end of each series listed.
