

HARTING

Han-INOX

Stainless Steel Hoods and Housings

Features

- Stainless steel hoods and housings
- Stainless steel locking elements
- Resistant against aggressive detergents
- Fields of application
 - Food and beverage industry
 - Water and sewage industry
 - Pharmaceutical industry
 - Chemical industry
 - Offshore and shipbuilding

Technical characteristics

Material	stainless steel
Sealing	NBR
Limiting temperatures	-40 °C ... +125 °C
Protection degree in locked position	IP 65
Locking lever	stainless steel

General Information

Fields of application

HARTING Industrial Connectors are applicable in a wide variety of electronic and electrical applications.

The degree of protection of all hoods and housings is in accordance with International Standard IEC 60 529.

- | | |
|-------------------------|----------------------|
| • Power Utilities | • Industrial |
| • Robotics | • Instrumentation |
| • Chemical Plants | • Conveyor Equipment |
| • Machine Tool Controls | • Transportation |
| • Injection Moulding | • and many more. |

Specifications

- VDE 0110 table concerning clearance and creepage distances
- VDE 0627 Connectors and plug devices

Standards: DIN EN 175 301 - 801
DIN EN 61 984

Approvals

UL, CSA for inserts

Note

Connectors should not be coupled and decoupled under electrical load. Connectors of the same or different series being mounted side by side may be protected against incorrect mating by the use of coding options.

General information

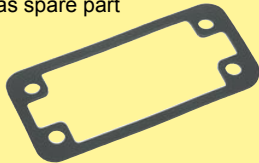

It is the user's responsibility to check whether the components illustrated in this catalogue comply with different regulations from those stated in special fields of application which we are unable to foresee.

We reserve the right to modify designs in order to improve quality, keep pace with technological advancement or meet particular requirements in production.

No part of this catalogue may be reproduced in any form (print, photocopy, microfilm or any other process) or processed, duplicated or distributed by means of electronic systems without the prior written consent of HARTING Electric GmbH & Co. KG, Espelkamp. We are bound by the German version only.

Certified according to EN ISO 9001 in design/development, production, installation and servicing
