

RoHS compliant products		Status:	1st August 2007		
This table contains all RoHS compliant Weinstadt products sorted by part number (updates will follow every two weeks)					
For products not listed here contact Weinstadt, please.					
<b>Coding explanation:</b>					
ROC	RoHS compliant product according directive 2002/95/EC				
ROH	RoHS compliant and compatible according directive 2002/95/EC (also suitable for lead free solder processes according JEDEC)				
SPC	RoHS compliant product according directive 2002/95/EC				
	a) exemption 7 of amendment to directive 2002/95/ EC dated 21st October 2005 for Dsub Filter connectors, for use in telecommunications equipment only				
	b) exemption 11 of amendment dated 21st October 2005 for D*NG and Tempus Pressfit General exemption for connectors with flexible press-in zones				
SPL	RoHS compliant and compatible according directive 2002/95/EC (also suitable for lead free solder processes according JEDEC) the same exemptions a) and b) apply for this coding				
NOT	not RoHS relevant
