

Logitech®

## HD Webcam C310

For HD video calling and connecting online.

- HD 720p video calling on most major IM applications and Logitech Vid™ HD
- 5-megapixel photos (software enhanced)
- Logitech® RightLight™ 2 and RightSound™ technology
- 1-click Facebook™ and YouTube® uploading
- Logitech® Video Effects™

Logitech® HD Webcam C310. For HD video calling and connecting online. You'll enjoy HD 720p video calls on most major instant messaging applications and Logitech Vid™ HD – the free, fast and easy way to see your loved ones face to face. Send your family and friends a picture when you don't have time to talk or record a video. 5MP photos (software enhanced) will give them a memory they won't forget. Dim or poorly backlit settings and background noise won't ruin your video call thanks to Logitech RightLight™ 2 technology and Logitech RightSound™ technology. You can upload your latest video clip to Facebook™ or YouTube® with just one click. And give your video calls an extra dose of fun with Video Effects.
