

### Model Number

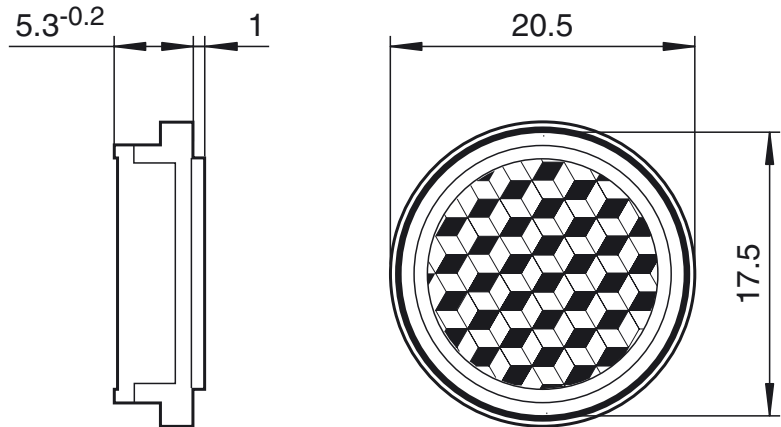

**REF-A17**

Reflector, round  $\varnothing$  20.5 mm, self-adhesive

### Features

- Self-adhesive for simple installation

### Dimensions

### Technical data

#### General specifications

Construction type circular

#### Ambient conditions

Ambient temperature -20 ... 85 °C (-4 ... 185 °F)

#### Mechanical specifications

Material PMMA/ABS

Dimensions Diameter: 20.5 mm

Mounting self-adhesive
