

# 2.0GHz Dual Modulus Prescaler

The MC12034A can be used with CMOS synthesizers requiring positive edges to trigger internal counters such as Motorola's MC145xxx series in a PLL to provide tuning signals up to 2.0 GHz in programmable frequency steps.

The MC12034B can be used with CMOS synthesizers requiring negative edges to trigger internal counters such as Fujitsu's MB87001.

A Divide Ratio Control (SW) permits selection of a 32/33 or 64/65 divide ratio as desired.

The Modulus Control (MC) selects the proper divide number after SW has been biased to select the desired divide ratio.

- 2.0 GHz Toggle Frequency
- Supply Voltage 4.5 to 5.5 V
- MC12034A for Positive Edge Triggered Synthesizers
- 12mA Maximum, -40 to 85°C, V<sub>CC</sub> = 5.5 Vdc
- Modulus Control Input is Compatible with Standard CMOS and TTL
- Low-Power 8.5 mA Typical

### **FUNCTIONAL TABLE**

sw	МС	Divide Ratio
Н	Н	32
Н	L	33
L	Н	64
L	L	65

NOTES: 1. SW:  $H = V_{CC}$ , L = Open. A logic L can also be applied by grounding this pin, but this is not recommended due to increased power consumption. 2. MC: H = 2.0 V to  $V_{CC}$ , L = GND to 0.8 V.

Design Criteria	Value	Unit
Internal Gate Count *	67	ea
Internal Gate Propagation Delay	200	ps
Internal Gate Power Dissipation	0.75	mW
Speed Power Product	0.15	рJ

NOTE: \*Equivalent to a two-input NAND gate.

### **MAXIMUM RATINGS**

Characteristic	Symbol	Range	Unit
Power Supply Voltage, Pin 2	Vcc	-0.5 to +7.0	Vdc
Operating Temperature Range	TA	-40 to +85	°C
Storage Temperature Range	T <sub>stg</sub>	-65 to +150	°C
Modulus Control Input, Pin 6	MC	-0.5 to +6.5	Vdc

NOTES: 1. ESD data available upon request.

2. This device contains protection circuitry to guard against damage due to high static voltages or electric fields. However, precautions must be taken to avoid applications of any voltage higher than maximum rated voltages to this high impedance circuit. For proper operation, V<sub>in</sub> and V<sub>out</sub> should be constrained to the range GND ≤ (V<sub>in</sub> or V<sub>out</sub>) ≤ V<sub>CC</sub>.
