

Module No	IBAAXS
REV.	C3

PRODUCT SPECIFICATION FOR E27 LED Bulb

Descriptions:

- A unique optics design, no light solution, no glare, the light evenly distributed, no stroboscopic.
- Good color rendering performance,
- The power efficiency is 90% typically, the Power factor 0.9 typically,
- Color Temperature 2700K and 6500K available.

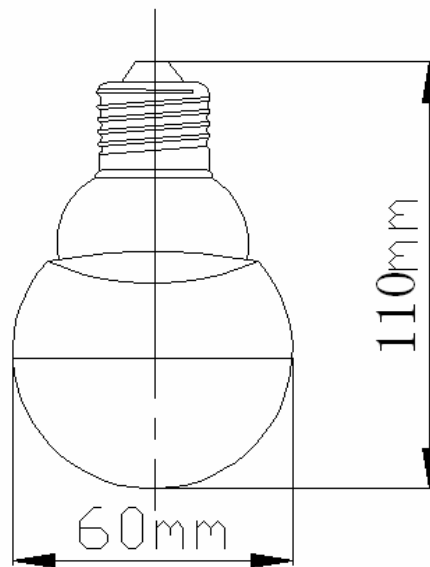

Features:

- Standard E27 plug contact directly with AC110V
- Long life using
- Quick start up

Application:

- The products are apply to supermarket, office, hotel, home, conference room and the exhibition room, and all indoor lightings

Product Picture and Sizes:

Units:mm
tolerance:±2mm

Module No	IBAAXS
REV.	C3

Device Selection Guide

Module No.	LED NO	Color	Color Temperature (Typ.)	LED Qty	Total Luminous Flux (Typ.)
IBAAWS	OSW44356A2A	White	6327K	24	73 lm
IBAADS	OSMX4356A2A	Warm White	2700K	24	60lm

Electrical parameter:

Mode No	Min	Typ.	Max	Unit
Working Voltage	100	110	120	V
Operating Current	9	10	11	mA
Gross Power	0.9	1.1	1.2	W
Power Factor	0.86	0.9	0.91	

Use Parameter:

Project	Parameter Values
Operating Temperature	-20 ~ 45
Storage Temperature	-40 ~ 85
Humidity	90 %
Overall Dimensions	110mm*60mm
Interface	E27
Weight	38g
Recommend Mounting Height	2.5m
