

HDSP-AX11/-AX13 Series, HDSP-FX11/-FX13 Series
HDSP-GX11/-GX13 Series, HDSP-HX11/-HX13 Series
HDSP-KX11/-KX13 Series
 Black Surface Seven Segment Displays

Data Sheet

Description

These devices use industry standard size package and pinout. Available with black surface finish. All devices are available as either common anode or common cathode.

Typical applications include appliances, channel indicators of TV, CATV converters, game machines, and point of sale terminals.

Features

- Black surface and color tinted epoxy
- Industry standard size
- Industry standard pinout
- Choice of character size
7.6 mm (0.30 in.), 10 mm (0.40 in.),
14.2 mm (0.56 in.)
- Choice of colors
AlGaAs Red, High Efficiency Red (HER), Green,
Orange
- Excellent appearance
Evenly lighted segments
± 50° Viewing angle
- Design flexibility
Common anode or common cathode
Single and two digit
- Categorized for luminous intensity
Categorized for color: Green
Use of like categories yields a uniform display
- Excellent for long digit string multiplexing

Notes:

1. For codes not listed in the figure above, please refer to the respective datasheet or contact your nearest Avago representative for details.
2. Bin options refer to shippable bins for a part number. Color and Intensity Bins are typically restricted to 1 bin per tube (exceptions may apply). Please refer to respective datasheet for specific bin limit information.

Notes:

- Case temperature of device immediately prior to the intensity measurement is 25°C.
- The digits are categorized for luminous intensity. The intensity category is designated by a letter on the side of the package.
- The dominant wavelength, λ_d , is derived from the CIE chromaticity diagram and is that single wavelength which defines the color of the device.
- Typical specification for reference only. Do not exceed absolute maximum ratings.
- Green (HDSP-A51X/F51X/G51X/H512X/K51X) series displays are categorized for dominant wavelength. The category is designated by a number adjacent to the luminous intensity category letter.
