Rhino® 5200
Industrial Labelling Tool

Show off your work with the Rhino 5200 from DYMO®
– designed for professional installers who work in real-world jobsite conditions.

Rhino 5200

1 **DYMO exclusive "hot keys"** automatically size, space and format labels for wires and cables, terminal blocks, electrical and patch panels, 110-blocks, vertical and fixed-length applications.

2 **Pre-programmed symbol library > 100** puts industry symbols, punctuation, currency and fractions at your fingertips.

3 **Save more than 100 customized labels** for on-demand printing at the job site.

4 **Smart on-screen alerts** help prevent mistakes and wasted labels.

5 **Large two-line display –** backlit for poorly-lit jobsites

6 **Automatic shut-off** maximizes battery life.

7 **Prints on Rhino industrial-strength labels** from 6mm to 19mm wide.

8 **Prints Code 39 and Code 128 bar codes** on 19mm labels.

9 **Slip-resistant, built-in rubber bumper** protects printer against damage from accidental falls and rough conditions.

Labels that stick and stay stuck.

Rhino labels are easy to use and super-strong.
Thanks to industrial-strength adhesives, they deliver the lasting durability and legibility you demand – for a multitude of applications. To meet your high standards, Rhino labels are designed to work exclusively with Rhino printers and perform on a variety of surfaces (smooth, curved, textured and highly textured).

- Industrial-strength adhesives help these labels stick and stay stuck – in harsh worksite conditions.
- Thermal transfer print technology produces labels that are durable, smear-proof and resistant to chemicals, solvents, heat, UV and more.

Ideal Label Applications

Flexible Nylon
wire, cable, curved & highly textured surfaces

Permanent Polyester
flat surfaces such as panels; textured and rough surfaces; can be used outdoors

Vinyl
flat or curved surfaces; can be used outdoors

Heat Shrink Tubes
wires & cables; slides on and won't fall off

Non-adhesive Tags
inserts or other applications where adhesive is not required

Easy-to-peel split backing
