## SKKT 460, SKKH 460

### SEMIPACK<sup>®</sup>5

### Thyristor / Diode Modules

SKKT	460
SKKH	460

#### Features

- Heat transfer through aluminium nitride ceramic insulated metal baseplate
- Precious metal pressure contacts for high reliability
- UL recognized, file no. E63532

#### **Typical Applications\***

- AC motor softstarters
- Input converters for AC inverter drives
- DC motor control (e.g. for machine tools)
- Temperature control (e.g. for ovens, chemical, processes)
- Professionals light dimming (studios, theaters)
- 1) see assembly instructions
