

SEMITOP ${ }^{\circledR} 1$

## Antiparallel Thyristor <br> Module

## SK 70 KQ

Preliminary Data

## Features

- Compact Design
- One screw mounting
- Heat transfer and isolation through direct copper bonded aluminium oxide ceramic (DBC)
- Glass passived thyristor chips
- Up to 1600 V reverse voltage
- UL recognized, file no. E 63532

## Typical Applications*

- Soft starters
- Light control (studios, theaters...)
- Temperature control
