## Characteristics

---

The information provided in this documentation contains general descriptions and/or technical characteristics of the performance of the products contained herein. This documentation is not intended as a substitute for and is not to be used for determining suitability or reliability of these products for specific user applications. It is the duty of any such user or integrator to perform the appropriate and complete risk analysis, evaluation and testing of the products with respect to the relevant specific application or use thereof. Neither Schneider Electric Industries SAS nor any of its affiliates or subsidiaries shall be responsible or liable for misuse of the information contained herein.

# XCSZC1

additional coded magnet - for coded magnetic switch XCSDMC

### Main

|                                       |                           |
|---------------------------------------|---------------------------|
| Range of product                      | Preventa Safety detection |
| Accessory / separate part category    | Spare parts               |
| Accessory / separate part type        | Coded magnet              |
| Accessory / separate part designation | Additional coded magnet   |
| Accessory / separate part destination | Coded magnetic switch     |

### Complementary

|                       |                          |
|-----------------------|--------------------------|
| Product compatibility | XCSDMC...2<br>XCSDMC...L |
| Product weight        | 0.009 kg                 |

### Offer Sustainability

|                                  |   |
|----------------------------------|---|
| Sustainable offer status         | Green Premium product   |
| ROHS                             | Compliant - since 0729 - <a href="#">download declaration of conformity</a> |
| REACH                            | Reference not containing SVHC above the threshold                           |
| Product environmental profile    | Available   |
| Product end of life instructions | Available   |
