

Main

Product or component type	Communication cards
Communication port protocol	METASYS N2
Transmission rate	9.6 kbps

Complementary

Electrical connection	Removable 4-way screw terminal block
Communication service	Analog inputs (AI) Analog outputs (AO) Binary inputs (BI) Binary outputs (BO) Read/Write of a collection of N2 points
Display type	1 LED for ERR (fault) 1 LED for COM (data exchange) Graphic display terminal for valid and invalid frame counters
Product weight	0.2 kg

Environment

RoHS EUR conformity date	0922
RoHS EUR status	Compliant

The information provided in this documentation contains general descriptions and/or technical characteristics of the performance of the products contained herein. This documentation is not intended as a substitute for and is not to be used for determining suitability or reliability of these products for specific user applications. It is the duty of any such user or integrator to perform the appropriate and complete risk analysis, evaluation and testing of the products with respect to the relevant specific application or use thereof. Neither Schneider Electric Industries SAS nor any of its affiliates or subsidiaries shall be responsible or liable for misuse of the information contained herein.
