

SLE 77CF800S

16-bit Flash Security Controller Optimized
for SDA Payment Applications
in 90 nm CMOS Technology

80 KBytes SOLID FLASH™
4 KBytes RAM

Short Product Overview

May 2011

Chip Card & Security

SLE 77CF800S Short Product Overview		Ref.: Chip_Card_Product_Overview_11/09
Revision History: Current Version 05.11		
Previous Releases:

Legal Disclaimer

The information given in this document shall in no event be regarded as a guarantee of conditions or characteristics. With respect to any examples or hints given herein, any typical values stated herein and/or any information regarding the application of the device, Infineon Technologies hereby disclaims any and all warranties and liabilities of any kind, including without limitation, warranties of non-infringement of intellectual property rights of any third party

Information

For further information on technology, delivery terms and conditions and prices please contact your nearest Infineon Technologies Office (www.infineon.com).

Warnings

Due to technical requirements components may contain dangerous substances. For information on the types in question please contact your nearest Infineon Technologies Office.

Infineon Technologies components may only be used in life-support devices or systems with the express written approval of Infineon Technologies, if a failure of such components can reasonably be expected to cause the failure of that life-support device or system, or to affect the safety or effectiveness of that device or system. Life support devices or systems are intended to be implanted in the human body, or to support and/or maintain and sustain and/or protect human life. If they fail, it is reasonable to assume that the health of the user or other persons may be endangered.

Product name	SLE 77CF800S 
Product description	Security Controller
Interfaces	ISO 7816
User-ROM	--
Flash	80kB
EEPROM	--
RAM	4kB
CPU	16-bit
Symmetrical Cryptography	DES, AES
Asymmetrical Cryptography	--
Ambient temperature	-25 -85 °C
Delivery forms	Module M4.8, FCOS MFC5.6, FCOS MFC5.8, die
Typical applications	Payment, EMV SDA, Loyalty
Certifications	EMVCo

For further information on technology, delivery forms and conditions please contact your nearest Infineon Technologies sales representative (www.infineon.com).
